Under the provisions of section 122 of the Code of Civil Procedure, 1908, the following amendments to rules 52 and 58, Order XXXI and to Part II, A to Appendix A, of Form Schedule to the Code of Civil Procedure, 1908, are proposed for the information of all persons interested and it is hereby ordered that the said amendments as well as such other amendments or suggestions relating thereto will be taken up for consideration by the High Court on or after the 1st day of December 1917.

In Order XXI, rule 35, substitute the following in the place of the present sub-rule (2):—

"(c) Where in the case of a decree for the payment of money the promise is not asserted to be owing to the decree having been satisfied, such officer shall also witness or enforcement on the promise to discharge signed by the decree-holder and attested by two respectable witnesses who can identify the decree-holder."

In Order XXX, rule 35, add the following as sub-rule (B):—

²² (2) Where the endorsement of such affair is to the effect that it is unsafe to exercise the powers, the Court shall examine him or cause him to be examined by any other Court touching his alleged inability, and may if it thinks fit, examine and examine witnesses as to such inability, and shall record the result.

Provided that an examination of the effort entrusted with the execution of a process by the King or the Deputy Viceroy under the general or special orders of the Court shall be deemed to be sufficient compliance with the requirements of this article.

Where the inability to execute the process is due to the non-attendance of the debtor and such attendance has been ordered as the process so mentioned, in subrule (3) above, the Court shall send notice to the debtor-holder to show cause as to why he should not be committed to custody, and if, after service of such notice, the debtor-holder fails to show cause why the execution should not be regarded as complied, the Court shall proceed, *ex parte* accordingly.

A record of satisfaction under the provisions of this subrule shall have the same effect as one under the provisions of Order XXI, rule 2, sub-rule (2).

In Order XXI, rule 28, substitute the following for the present Order XXI, rule 28:—

"Every judgment for the award of a judgment-debtor shall direct the officer entrusted with the execution to bring him before the Court with all convenient speed, unless the amount which he has been ordered to pay, together with the interest thereon and the costs (if any) to which he is liable, be sooner paid, or unless satisfaction of the decree be obtained by the debtor-holder on the warrant in the manner provided in rule 26 (3) above."

In Appendix 2, Para No. 35:—

Each class of wood will be offered for sale separately in lots of 10, 20 or 30 tons or less of convenience, such lots being consisting of a single quantity of the class of wood they being sold. Bids will be per ton at each class of wood.

The bids shall be advanced in multiples of rupees five per ton and not less.

4. The sale will be subject to confirmation by the Commissioner of Forests, Salem Circle, who does not bind himself to accept the highest or any bid.

5. Bids being offered to bid, each intending bidder must pay as advance money deposit of Rs. 1,000 in cash or cash immediately before the sale, the same shall probably be in the form of Madras notes for Rs. 1,000 or Rs. 500. A receipted Government treasury check for the amount will also be accepted. In the case of intending bidders, who have previously bought sandalwood from the Forest Department, a check on the Imperial Bank of India for the amount will be accepted, but the intention to accept such advance cash solely with the officer conducting the sale.

8. If two or more persons are jointly and severally liable for the purchase of wood, only one member of the partnership will be required to pay the purchase price, and the deposit will be accepted in full satisfaction.

9. The earnest money deposit of unsuccessful bidders will be returned immediately after the sale is over, and that of successful bidders will be credited towards the first instalment of the purchase price.

10. Each purchaser shall, immediately after the sale, sign a receipt for the wood at the foot of the sale list, and the balance payable for the purchase, and such receipt will be held as an admission on the part of the buyer that the purchaser has accepted the conditions of the sale.

11. Immediately after the sale is over, each purchaser, if he offers for any particular lot, has been accepted by the Commissioner of Forests, will be furnished with a memorandum showing the total amount due from him. He shall remit 25 per cent of this amount, less the earnest money deposit, into the Imperial Bank of India at Calcutta or the Reserve Bank of India at Madras, within fifteen days of the completion of the sale and another 25 per cent before the 15th January 1938. The balance of 50 per cent being paid on or before 15th February 1938 or against delivery, whichever is earlier. Should any purchaser fail to make the necessary remittances by the due date, the delivery already completed will lapse to Government and the District Forest Officer will be at liberty to resell the wood in question at the price of the purchase who shall be liable for any loss, but shall not participate in any profit which may arise by the resale.

12. After 50 per cent of the entire sale value has been paid to the credit of the Forest department, delivery of the wood shall be made to the purchaser provided that said full payment has been made a quantity of wood equivalent to 25 per cent of the full sale value shall remain unremoved, but paid for.

The delivery will be by full lots at a time and as he may be delivered by portions.

On the purchaser's procuring shakhs as proof that 50 per cent of the entire sale value has been paid a proportion of the wood purchased will be weighed in 100 lb. or 50 lb. specific portions and the quantity weighed to be in his possession for a minimum of 10 days. If, however, proof is produced that the entire sale value has been paid, the whole wood purchased will be weighed and loaded over. The purchaser must take delivery of and remove the whole of the wood sold to him on or before the 15th March 1938.

Should any excess over the quantity paid for be found in the quantity purchased when weighing at the time of delivery, the excess will be paid for by the purchaser at the rate at which it was originally purchased before effecting removal. If any one purchaser has purchased more than one lot or lots and if there is any excess in one lot or lots and deficit in the other, when weighing at the time of delivery on a particular day, the value of the deficit weighed shakhs on the lots at which the excess lot or lots was sold will be deducted towards the value of the excess quantity gained in the other lot or lots as the case may be, and the balance, if any, still due from the purchaser will be collected before permitting him to remove the quantity delivered during the day. If, however, the net quantity delivered results in a deficit on account of drainage over the recorded quantity at the time of sale, the value of the deficit quantity at the purchased rate will be refunded to the purchaser.

14. The accepted bidders, when depositing their receipts to take delivery, must furnish such receipts with a personal statement duly stamped and bearing the signature of the person so deposited. A copy of the personal statement must also be sent to the District Forest Officer by post, with four separate signatures of the agent. Failing this delivery may be refused pending verification, in which case the delay will prevent payment of the accepted bidder.

15. No further shelling or classification of sandalwood will be undertaken by the Forest department and all purchasers be allowed to clear any wood remaining in stockpiles. The classification, shelling and weighing to be determined by the Forest department, must be accepted.

16. After the wood has been weighed and loaded over, if the purchaser fails to remove the wood within the period allowed in clause 12, the quantity will be charged at the rate of 10 per cent per day from the first day fixed for delivery until the wood is finally removed.
